

Known CPT Codes for Potential Insurance Reimbursement

The CPT codes listed below have been billed successfully by one or more RightEye providers to receive reimbursement.

Be sure to contact your insurance provider(s) with any questions, as reimbursement rates and policies can vary by location, specialty, and insurance plans.

CPT Code	Name
92060	Quantitative Sensorimotor Exam
92065	Orthoptics (used with at-home Trainer)
97112	Neuromuscular reeducation of movement activities
97750	Physical Performance Test or Measurement with written report
97530	Therapeutic activities; direct, use of dynamic activities to improve functional performance, each for 15 minutes
97165-97167	Occupational Therapy Evaluations

92060 is the most common CPT code used for RightEye.

Providers report being reimbursed between **\$65** and **\$130** when billing 92060 for RightEye.
